

## GENERAL CERTIFICATE

We certify that all products in the Brewline range :

### **REGULATORY COMPLIANCE**

Are, in the context of their regulated use in breweries, suitable to produce or to be in contact with products intended for human consumption.

The FSSC 22000 certificate delivered to LAMOTHE-ABIET guarantees its compliance with Good Hygiene and Manufacturing Practices.

Comply with the decree of 10/23/2023 amending that of 10/19/2006 relating to the use of technological aids in the manufacture of certain foodstuffs.

Comply with EU regulations 1332/2008 on food enzymes, EU 1333/2008 and 231/2012 on food additives.

Comply with our current Technical Data Sheets.

### **NOT GMO**

Are not from Genetically modified organisms and do not contain a G.M.O. within the meaning of part A article 2 of directive the EEC 2001/18 of the 3/12/01. The are not food products or ingredients obtained entirely or partially starting from genetically modified substrates concerned with the regulation EEC 1830/2003; this indicates the absence of cloning.

### **NON IONISANT**

Do not result from ionizing treatment nor of irradiations.

### **NO NANOTECHNOLOGIES AND NO NANOPARTICLES**

Do not result from the use of the nanotechnologies and do not contain nanoparticles except **SILICA SOL** (nanoparticles) and **SILICA GEL/POLYSTAB** (nanotechnology).

### **PACKAGINGS**

Are packed in packaging suitable for food contact and are not derived from nanotechnology.

The packaging comply with :

EC Regulation 1935/2004, which defines the general requirements (as resumed in EC Regulation 2023/2006) applying to materials and articles intended to come into direct or indirect contact with foodstuffs, food products and beverages placed on the Community market.

Regulation EC 10/2011 on plastic materials and articles intended to come into contact with food, including phthalates.

Law n°2012-1442 of 24 December 2012 which suspends the manufacture, importation, exportation, and placement on the market of all food packaging containing bisphenol A. Our manufacturers declare that they do not introduce bisphenol A into the formulations their packaging.

Directive 94/62/EC, as amended, on environmental requirements for the design, manufacture and waste of packaging.

Directive 2008/98/EC, which establishes a legal framework for the treatment of waste within the Community.
